WELCOME TO THE QUEENSLAND KOREAN WAR MEMORIAL

This beautiful Memorial was built with the warm hearts and willing hands of so many Veteran and Korean community volunteers, both rich and poor, and, with the financial assistance of our benefactors:

**Commonwealth of Australia, Republic of Korea, Queensland State Government,
Gold Coast City Council,
Australian Korean War Memorial Queensland, Association of Queensland Korean Veterans,
Korean Veterans' Association Australia, Korean Society of the Gold Coast and Brisbane,
Returned and Services League of Australia**

The Memorial wall murals tell the story of war and peace in those troubled times 1950 – 53 - 57

**A nation saddened by an unwarranted invasion uprooted and forced south under
threat and the consequent return to victory and peace with the aid of the United
Nations Forces.**

*

**The courageous and dedicated service of the Australian Veterans, Navy, Army
and Airforce who sacrificed so much for Peace in the Peninsula:**

Served in Theatre some 18,000 Battle Casualties 1572

**Killed in Action 356, Missing in Action 43, Prisoners of War 23, Wounded in
Action 1216**

**And those who survived, often with wounded hearts and bodies, to return home
to their loved ones.**

**The world will long remember these veterans who fought so hard so
that others may live in peace.**

FREEDOM IS NOT FREE.
